Level-of-Interest Feedback Evaluation

aka

L.I.F.E.

---

# Level-of-Interest Feedback Evaluation

---

- On-Line Feedback for Scientists on project proposals
  - Gives Faculty information
  - Not voting mechanism – multiple members of one company may complete
  - Reviewed tomorrow in IAB - basis For Dialogue
-

# Level-of-Interest Feedback Evaluation (L.I.F.E.): Process

---

- At the end of each project presentation members rate level of interest & comment on projects
  - Faculty respond on LIFE site by 10 PM tonight!
  - IAB reviews LIFE results tomorrow
-

## Instructions for PIs:

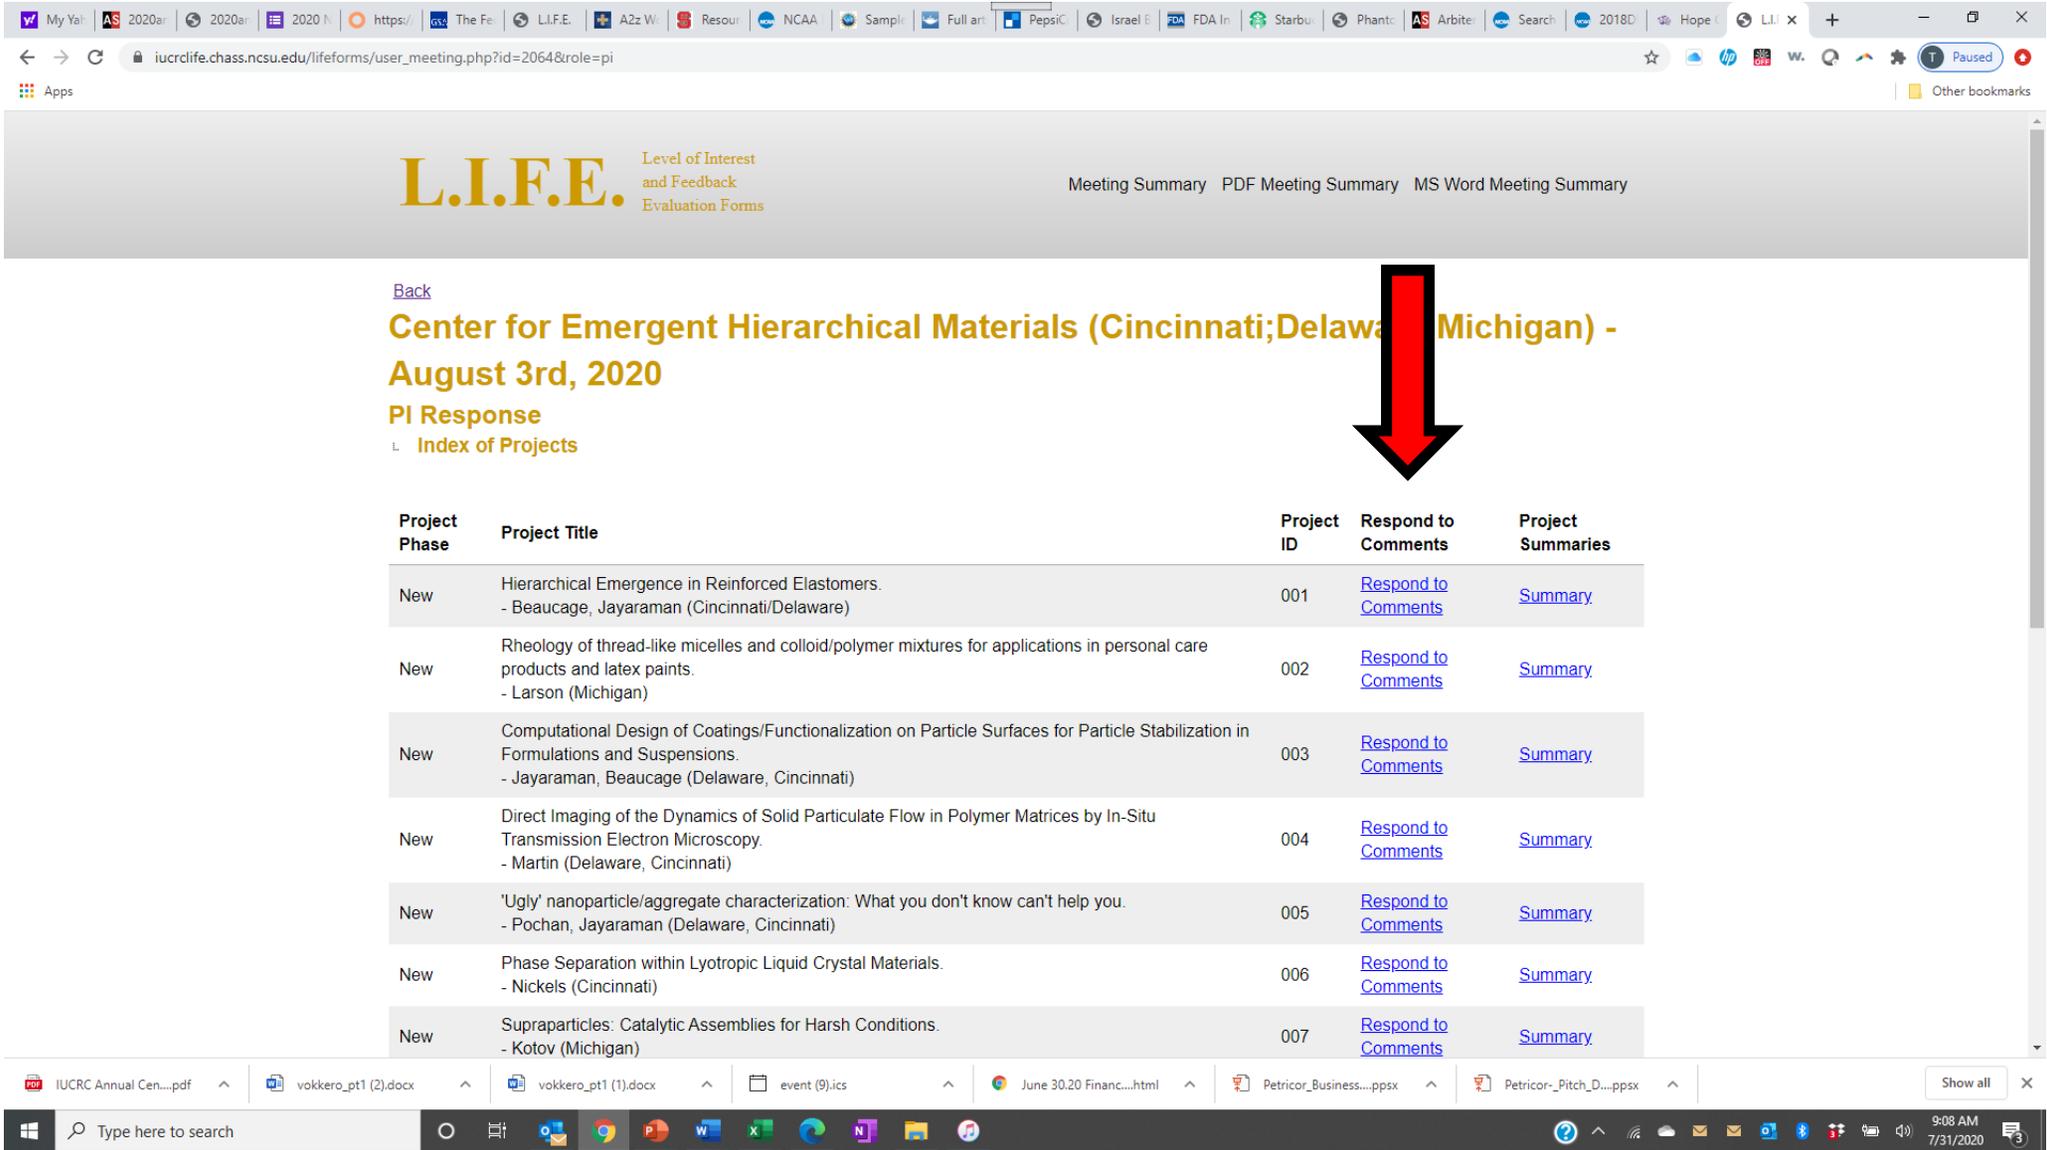

By selecting "Response to comments" on the following page next to your project you will be able to respond to specific comments provided by IAB members. Simply write a reply in the text box that is provided, enter your name and select "Submit Response" when done. Multiple PIs can submit comment. Your reply and name will be visible to all who access the site and will be debriefed at the IAB session.

Please note:

- Only provide replies for your project
- Do not feel obligated to reply to every comment (e.g., "great project" probably doesn't require a reply)
- Be brief and to the point in your replies: less is more

### Summary of PI Responses

---

*Dee's Response: This project has received great support from the mentors. We do need a firm meeting time however.*

### Question

---

- Is there any IP we should be aware of?  
*Response 1: None at all. This is entirely original. -Dee*

### Suggestion

---

- We need more mentors.  
*Response 1: Please tell me who this is! -Dee*

### Comment

---

- This is a great project!  
*Response 1: Thanks! -Dee*
